ONE OBJECT – MANY VISIONS – EUROVISIONS

STAATLICHE AKADEMIE DER BILDENDEN KÜNSTE STUTTGART
31. OCTOBER, 14.00 – 21.00

EM Symposium: One Object – Many Visions – EuroVisions
EE 31.10.2014, 14.00 – 21.00

The symposium “One Object – Many Visions – EuroVisions” is part of the international, interdisciplinary research project “EMEE – EuroVision: Museums Exhibiting Europe” funded by the Culture Programme of the European Commission. It is an international discussion platform on the topic of “How to Make Europe Visible in the Museum” and marks the kick-off event of the **EMEE Young Scenographers Contest**. **Internationally renowned speakers** will share their knowledge and experiences.

The **multidisciplinary discourse**, focusing on the concept of “Change of Perspective”, is the main objective of this event. It is targeted to the international museum sector, designers and scenographers as well as professors and students from **all over Europe**.
