EUROVISION LAB.

WELCOME TO THE EUROVISION LAB.!

Explore and discover museums in a new way and find out why you make a difference in your museum. A large network of European museums is working on exhibiting Europe. Objects are going to be seen from European perspectives and museums experts and visitors are going to switch roles. Apply yourself in what is happening in the museum and play an active role in interpreting European cultural heritage, in discovering which stories can be opened up by an object and in debating about issues Europe is concerned with!

BE PART OF THE EUROVISION LAB.!

You can become part of the change because your unique knowledge, opinions and emotions are important for the museum teams. Visit your museum in person or online and spot the possibilities and offers.

ONE OBJECT - MANY VISIONS - EUROVISION!

The EuroVision Lab. is a series of exhibitions and activities taking place in seven European countries, it is happening in Ljubljana, Sofia, Rome, Lisbon, Paris, Augsburg and Vienna and is part of the project "EuroVision – Museums Exhibiting Europe" (EMEE).
